

AOA ALERT

AIRFIELD CHANGES EFFECTIVE JULY 9, 2026

On July 9th SEVERAL airfield changes will occur that coincide with the FAA Charting Cycle Publication Date. Please review and understand the following changes as they will affect all drivers, taxi mechanics and movement teams:

1. New “L” Taxiway will open between Taxiways “T” and “U”
2. The “Q” Taxiway will be opened (extended) between Taxiways “K” and “L”
3. New “T” Taxiway will open between Taxiways “K” and “B”
4. New “A5” Taxilane will be published on aeronautical charts, but will NOT be opened until August 2026 (still under construction).
5. Service road to the north will be re-aligned around the new open “L” Taxiway. (Separate AOAAlert)

Additional service road changes, including a new haul route, are expected beginning June 18, 2026. Please monitor future AOAAlerts for additional updates.

For more information and other resources visit ORDSAFE.com

For ALL emergencies, call O'Hare /OCC (773) 894-9111

IMPORTANT NOTE:

**Effective
July 9, 2026**

Once the new "T" Taxiway opens, there will be a restricted turn at this intersection.

Aircraft **CANNOT** turn onto the "T" Taxiway (north or south) when traveling eastbound on "A".

Aircraft **CANNOT** turn westbound onto "A" Taxiway from "T" Taxiway (**ONLY** eastbound on "A" is approved from "T").
